

# Louvolite Lithium Rechargeable Motors

**3**  
YEAR  
WARRANTY

5 CHANNEL  
REMOTE  
CONTROL

14/42 CHANNEL  
REMOTE  
CONTROL

**Make an impression with stunning motorised blinds that exhibit quality, convenience and affordability.**

Competitively priced, Louvolite One Touch™ motorised blinds are operated by a 5 channel or 14 channel remote control that allows you to operate up to 14 blinds individually or more blinds simultaneously if needed. A benefit of battery operated blinds is that they can be fitted into windows with no wiring required, appealing to a wider client base.

## Key Benefits

- Innovative yet affordable contemporary technology for your home and office
- Child safety aspect enhanced as operating cords and chains are no longer necessary
- No hardwiring required
- Simple, convenient and easy to use
- Operated by a stylish remote control

## Lithium Rechargeable – 1710 Battery Motor

### Battery operated motor for 45mm tube

The Lithium 1710 motor benefits from complete **ease of use** with its rechargeable battery. This luxurious motorised solution has the capacity to operate wider blinds up to 6 square meters, depending on fabric.

### Features

- Remote control operation – option for a 5 channel remote or 14 channel remote
- Can operate multiple blinds with a single channel remote
- Sleek aesthetics enhance the ease of use
- Limits to stop blind at a highest, mid and lowest point
- Uses 45mm tube
- Easily rechargeable lithium battery motor
- Minimum blind width 500mm
- Easy identification when the motor is charged by the LED light going from red to green
- Solar power panel option available

### Battery Charger Care Instruction

- Unplug charger from motor when LED light turns green. Failing to do so will result in the motor dumping power and reducing the charge.

### PERFORMANCE PARAMETERS

Rated torque	1.1Nm
Rated RPM	25 rpm
Motor Diameter	25mm
Rated Voltage	DC7V
Rated Power	2W
Rated Current	8A
IP Class	IP40
Inbuilt Receiver	No
